

17th IGEC

INTERNATIONAL GREEN ENERGY CONFERENCE

6th INTERNATIONAL CONFERENCE ON ENERGY & AI

Reykjavík, ICELAND,
October 12-15, 2025

CALL FOR PAPERS

OBJECTIVES

This is a multidisciplinary international conference on the use of energy with no or reduced environmental impacts and will provide a forum for the exchange of the latest technical information, for the dissemination of high-quality research results, for the presentation of new developments in the areas of energy and environment, and for the debate and shaping of future directions and priorities in sustainable development and energy security. The conference will be of particular value and interest to researchers, scientists, engineers, and practitioners who are working in relevant fields of energy and the environment, from policy making, technical development to management and marketing.

PROCEEDINGS

All papers will be screened and reviewed by the conference Technical Committee under the direction of the International Advisory Committee. Eligible papers will be published in the Conference Proceedings, which will be available during the Conference and included in the registration package.

JOURNAL PUBLICATION

High-quality original papers of archival value will be considered for publication in Special Issues of prestigious international journals, including the International Journal of Green Energy, Energy and AI, Energy and Frontiers in Thermal Engineering.
