

**Proceedings of the joint 17<sup>th</sup> International Green Energy Conference (IGEC-XVII)  
& 6<sup>th</sup> International Conference on Energy and AI (ICEAI-VI)  
& 6th Arctic Energy Forum  
IGEC2025-xx1~xx6 (invited)  
October 12-15, 2025, Reykjavik, Iceland**

**Special Session: Session Title**

**Session Description:**

The description is recommended to be around 100-150 words. 5-6 presenters should be expected in each session.

Please note that it is the organizers' responsibility to make sure the information in this document is accurate. The presentation in this session will be deemed as invited presentations. Please avoid inviting students to be the speakers, unless you have a strong reason for that. Dr. Jian Zhao will assign a unique ID for each individual abstract once the document is finalized.

Please do not hesitate to contact Dr. Jian Zhao at [jianzhao@me.msstate.edu](mailto:jianzhao@me.msstate.edu) for any questions.

Please see past special sessions for more information:
